

"OBI" OBERT MUSONGO

POINT GUARD
- 6'0" / 180 LBS -

Obi is a team player, who always puts team success above personal accolades. He is defensive minded, an extremely hard worker, and the ultimate 'gym-rat'.

"I want to be remembered in this game on and off the court. I believe my purpose is to help others through basketball. I hope people will be inspired by my story, and it will be the reason they didn't give up on life."
